2026

WELCOME!

The Highlands County Amateur Radio Club is an association for all people interested in Amateur Radio, and it is our objective to promote interest in all aspects of the hobby.

Whether you mainly operate HF, VHF/UHF, CW, SSB, FM, or Digital Modes, we are striving to make this a club that everyone can enjoy.

We not only hold monthly meetings, and daily/weekly nets, but members can get together three times a week for breakfast and conversation. In Lake Placid, you can go to Oscar's Kitchen on Tuesdays and Thursdays at 9 AM, or you can go to Dee's Place near the circle in Sebring on Fridays at 9 AM. It's a great time to enjoy conversation and exchange ideas and information.

From time to time we hold licensing classes and test sessions for those interested in becoming a Ham or those wishing to advance their class of license to gain more operating privileges.

Many of our members are active in SKY-WARN and ARES® to promote public service and welfare within the community.

We look forward to seeing you soon.

73, Mike - KB2UDB
President, HCARC

2026 OFFICERS

President	Mike Enos - KB2UDB

CLUB MEETINGS

Meetings are held on the third Monday of each month at 7 PM at Stepz Dance Studio next to Dee's Place, 132 N. Ridgewood Drive (just off the circle in downtown Sebring).

NOTE: Club meetings are also available using the ZOOM app. See link on the club website.

"SWAP SHOP"

Everyone is welcome to Buy-Sell-Trade electronic items on our club website.
www.HighlandsAmateurRadio.com
Email: KW4G10@gmail.com with your list.

We also occasionally have a table at our meetings where you can bring items to buy-sell-trade, or just to give away for free!

Amateur Radio Emergency Service ARES®

Jeff Bronsing – KJ4NEO is our Highlands County ARES® Coordinator. Many of our club members are also ARES® Volunteers. For more info contact Jeff by Email at: KJ4NEO@gmail.com
